MISSION

To provide unparalleled client service, rising above the conventional degree of delivery in the private security industry; dedicated to our core values of integrity, commitment, and diligence.

About Phoenix Protective Solutions

Phoenix Protective Solutions takes a unique approach to providing protective services. We employ proactive strategies, utilize up-to-date technology, and all of our security professionals are certified, licensed, insured, and extensively trained. The decades of field experience held by our management team in addition to our use of select security professionals and our commitment to unparalleled customer service gives us the edge over our competitors.
